VOXFLOR®
passion and purpose

00.

OUR GOAL

The Life Resilience Collection celebrates **the quiet strength of life in its earliest and most enduring forms**. Inspired by mosses and lichens naturally spreading across stone surfaces, **Slow Adaptation and Lush Growth reflect nature's remarkable ability** to survive, evolve, and flourish through Earth's harshest conditions. Organic, irregular patterns and gentle natural tones merge seamlessly with mineral-inspired neutrals, creating surfaces that express resilience, balance, and the timeless beauty of growth shaped by time and environment.

SLOW ADAPTATION

Natural environments reveal powerful examples of endurance and resilience. Slow Adaptation reflects patience, persistence, and quiet determination through subtle, organic movement inspired by nature's gradual evolution.

Slow adaptation is characterized by irregular forms and dynamic linear patterns that convey a feeling of enduring strength and natural movement. The collection is available in five carefully curated neutral tones designed to blend effortlessly into a wide range of environments. Complementing these foundations, vibrant accent colors introduce moments of energy and contrast, bringing depth, brightness, and a visually engaging character to the space.

LUSH GROWTH

Nature constantly radiates vivid vitality. Lush Growth captures the richness and diversity of the natural world through layered organic patterns and softly evolving tones, expressing the quiet energy of growth as it spreads and flourishes over time.

The pattern seamlessly integrates clustered dots and interlaced lines, bringing subtle visual movement to the carpet design. Echoing the color palette of Slow Adaptation, it offers a distinctive alternative while preserving the cohesive harmony of the overall collection.

Style Name:	Slow Adaptation, Lush Growth
Construction:	Multi-Level loop
Fiber:	Pureweave™ Nylon
Gauge:	1/12"
Stitches:	12 per inch
Pile Weight:	18 OZ/yd ²
Average Pile Height:	4.0 ± 0.5mm
Backing:	EcoAce-Bac®
Tile size:	25cm*100cm
Area of Use:	Commercial – Heavy Duty
Anti-microbial:	Ultra Fresh Treatment (Available)
Flammability:	ASTM E648 Class I, GB8624-2012 B1(C)
Smoke Density:	ASTM E662≤450
Static Propensity:	AATCC-134≤3.5 KV, GB/T 18044-2008≤3.5KV

Manufacture System

SOLAR
made carpet

VOXFLOOR® builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLOOR® represents qualified and trusty products.

EcoAce-Bac®
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Ultra-Fresh® is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

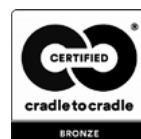

Declare.

Declare is a transparency platform to share and find healthy building products. VOXFLOOR's EcoAce-Bac® Collection reach "Red List Free" grade.

PUREWEAVE™

VOXFLOOR® offers PureWeave Nylon, a solution-dyed nylon fiber with built-in enhanced stain resistance ability against acid-based stains, which account for over 90% of the stains in daily life, such as tea, coffee, juice, etc. This feature gives carpet tiles long-lasting and effective anti-stain properties with lower maintenance costs, and longer product lifespan.

Cradle to Cradle® Certified is the global standard for products that are safe, circular and responsibly made. It is to ensure the impact of their products on people and planet is a positive one.

QUIET STRENGTH THROUGH NATURAL EVOLUTION
