Spacewalk 200-03

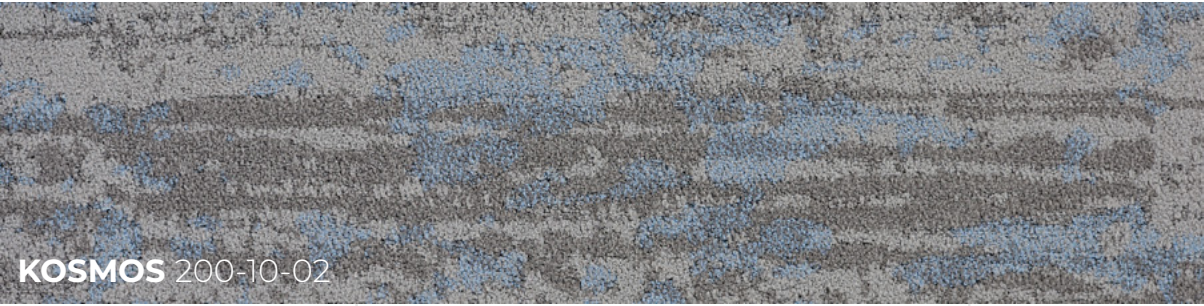

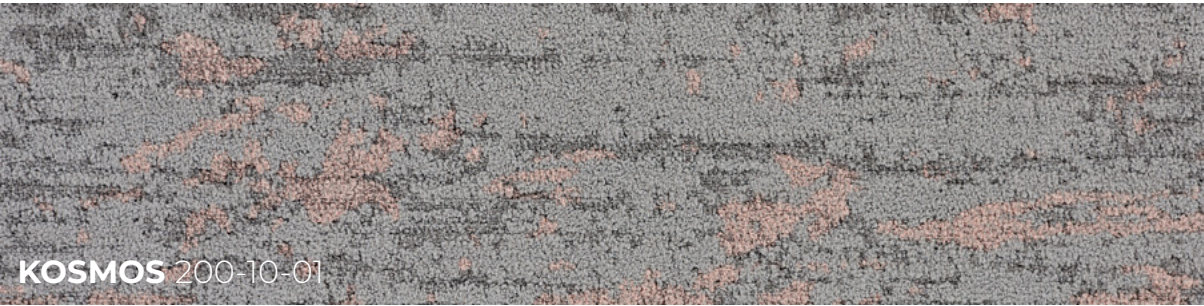

The organic pattern consists of three distinct textures that are a representation of the different surfaces of the Earth seen from space. **Kosmos provides a selection of accent colors** as a complementary to **Spacewalk neutral colors**.

SPACEWALK VISUAL

All three levels of patterns share the same four earthy tones. Simple yet rich in texture, it can enhance any space.

With its multi-level loop construction, Spacewalk 100 resembles a view of the plains, crisp and clear. In Spacewalk 200, there is an additional texture that represents a more mountainous landscape. Spacewalk 300, adds more colors and a rich plush texture, as if one were viewing the earth through fluffy clouds.

KOSMOS AS ACCENT

A wide variety of cosmos-inspired characteristics have inspired the choice of colors. Light and soft colors scatter through the texture. Telling a far and contemplative story.

Extended color accents for classic and neutral Spacewalk, play the perfect match, yet, it is more than that. The accent colors are light, fresh, and trendy, taking inspiration from Cosmos. Thus, they can be the dominant in one full flooring. With these colors, there are countless possibilities.

Manufacture System

SOLAR
made carpet

VOXFLOOR® builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLOOR® represents qualified and trusty products.
